

CURewards Program Rules

You will earn 1.5% cash back on net purchases (purchases minus any credits or returns). Cash advances, balance transfers, convenience checks used to access your account, and any fees posted to your account will not earn rewards.

There is no limit to the amount of cash back you can earn or accumulate on purchases, and your cash back rebates never expire as long as your account is open and in good standing. If your account is closed by you or by BCU, you will lose any rewards you have not redeemed.

Your account must be open and in good standing (not cancelled or terminated, not delinquent, over limit, or otherwise not available to use for charges) at time of redemption.

Redeeming Your Cash Back Rewards

You can redeem your available cash rebates and receive a statement credit to your credit card account, or you can choose to deposit your cash rebates to your BCU checking or savings account.

A minimum amount of \$25.00 is required for each redemption request. Your redemption request will be disbursed within 5 business days after your request is processed.

Statement credits to your credit card account are not considered payments. You should continue to make your scheduled monthly payments before the due date.

This Program is void where prohibited or restricted by law. Refer to the CURewards website for a complete listing of Program Rules and Terms and Conditions.
